August 2019

Dear Parent/Guardian:

Montebello Unified School District is pleased to announce a partnership with Kaplan Test Prep to provide free SAT preparation courses for students who are planning to take the SAT exam on either October 5, November 2, or December 7, 2019. Students must provide proof of having registered for one of these SAT exam dates.

If you are interested in having your student participate in these courses, please fill out the form below and return it to the College Center no later than August 26. Students may only enroll in one session. Please note that space is limited, so enrollment will be on first come basis, with priority given to students who have not previously taken a preparation course.

Students who enroll in the course are expected to register for the SAT exam. Students will need to register for the SAT exam separately from this course. Students who sign up for a session are committed to attend all classes scheduled for that session.

Please contact Baltazar Mejia at (323) 887-3090 ext.6646 or mejia_baltazar@montebello.k12.ca.us for questions.
